METROPOLIS HEALTHCARE GHANA LIMITED

Metropolis Healthcare Ltd (NSE: METROPOLIS | BSE: 542650) is a leading diagnostic company with presence across emerging markets in India and Africa. Instituted in 1981, Metropolis was founded on core service principles of delivering accurate, reliable and consistent laboratory testing and reports. While global gold-standard accreditations like the CAP are an indicator of the quality at Metropolis, the real testimony lies in the fact that our clients include top hospitals, multihospital groups, top individual doctors and consultants and other network laboratories that have relentlessly placed their trust in Metropolis. Our CAP proficiency score at 98.5 puts us amongst the top 1% laboratories worldwide for quality testing. In addition, Metropolis is also accredited by NABL (National Accreditation Board for Testing and Calibration Laboratories), a nodal government institution promoted by the Department of Science & Technology. As of December 2019, our network consists of 124 clinical laboratories and 2133 patient service centres, 598 Assisted Referral Centers and servicing over 10,000 patient touchpoints. We are present in 19 states and 220 cities in India besides having a robust presence in several African countries. During the financial year 2020, we conducted approximately 19.62 million tests from approximately 10 million patient visits. Our test menu is one of the most comprehensive in the industry, encompassing over 4,100 tests and test profiles, including highly specialized and esoteric assays. Our test menu capabilities are in the areas of genetics, biochemistry, molecular oncology, anatomic pathology, microbiology, hematology, immunochemistry, transplant pathology; for many of these technologies, Metropolis was the first to validate and introduce to the market. These tests are used for prediction, early detection, diagnostic screening, confirmation and/or monitoring of the disease.

JOY INDUSTRIES LIMITED

Joy Industries Limited, a leading player in the herbal manufacturing industry in Ghana. We are in the herbal manufacturing industry. In the beginning, in 2001, the business was registered as an herbal enterprise. While we were growing, we registered it as a limited liability with three brothers as shareholders in the company. Then, along the line, we had a technical person who is in charge of the formulation of the products, Dr. Fafa. He is also the one with more of the herbal knowledge. As a team, we have come together to build a strong brand. When you talk about one of the best herbal medicine companies in the world today, Joy Industries is rated number one!

INDIVIDUAL HONOREES

PHARM. KOFI ADDO-AGYEKUM
(CEO, KOFIKROM PHARMACY LIMITED)

Pharm. Kofi Addo-Agyekum had his primary, secondary and tertiary education in Ghana. He studied Pharmacy at the Kwame Nkrumah University of Science and Technology where he graduated in 1994 with a B.PHARM. (HONS) Degree. He thereafter sat and passed the Ghana Pharmacy Council Professional Qualifying Exams in 1995 and acquired the Pharmacy Council License to practice as a registered pharmacist. Upon graduation, he took a year long pharmaceutical internship across different European countries. He returned to Ghana in 1995 and undertook his national service with the Pharmacy Board after which he joined Kama Health Services in 1996. Starting as a pharmacist, he rose through the ranks and became the Managing Director of Kama Health Services and General Manager of the Kama Group. While at Kama, he extended the reach of the pharma business to the northern and southern sectors of the country and led the company to become a Ghana Club 100 Company. He was with Kama for 19 years. In 2015, Pharm. Kofi Addo-Agyekum took up the challenge to start Kofikrom Pharmacy Limited where he serves currently as the Chief Executive Officer. Kofikrom Pharmacy Limited is a Ghanaian owned pharmaceutical company that currently has 2 major outlets in Accra and over 100 strategic distributors in all the regions of Ghana. Under his leadership, Kofikrom has over 50 dedicated, motivated and well-groomed staff and has over 70 branded generic pharmaceutical products registered with the FDA which are very efficacious, available, affordable and accessible nationwide.
