MAB INTERNATIONAL HOSPITAL

MAB International Hospital is a private healthcare facility in Accra providing world-class and affordable medical services to Ghana and the West African region. The hospital is committed to improving the health status of the community through compassionate, patient-centered care, modern medical technology, and highly skilled specialists. Its services include emergency care, general surgery, pediatrics, radiology, optical services, maternity care, and diagnostics. Guided by values such as compassion, accountability, respect, excellence, and safety, the hospital focuses on quality healthcare delivery, innovation, staff development, and community partnerships to ensure accessible, reliable, and holistic healthcare for all patients.

THE BANK HOSPITAL

The Bank Hospital is a multi-disciplinary healthcare facility in Cantonments, Accra, providing patient-focused, high-quality medical services using modern technology and state-of-the-art equipment. The hospital offers a wide range of specialist and general medical services for both inpatients and outpatients, supported by highly skilled professionals and modern facilities. Services include emergency care, maternity, pediatrics, ICU, theatres, diagnostics, renal care, and specialist clinics. The hospital operates 24/7 and is committed to delivering timely, professional, and compassionate healthcare. Its mission is to provide client-focused care, with a vision to become the healthcare provider of choice in Ghana.

ST. JOHN'S HOSPITAL & FERTILITY CENTRE

St John's Hospital & Fertility Centre, established in 2012 in Ga North, has grown from a small three-bed facility into a multi-award-winning hospital with over 40 beds and 130 staff. The hospital provides general and specialized healthcare with a strong focus on women and child health, alongside services such as obstetrics and gynecology, pediatrics, surgery, diagnostics, and emergency care. Guided by a vision to deliver high-quality, patient-focused healthcare, the hospital emphasizes customer care, clinical research, training, and innovation, particularly in reproductive health, aiming to become one of Ghana's leading ultra-modern healthcare facilities.

NIVAANSH MEDIQAS GHANA LTD

Nivaansh MediQas Gh. Ltd. (NMGL) is a leading provider of medical devices, equipment, and consumables in Ghana, committed to innovation and patient safety. Established in 2020, NMGL serves as a healthcare solutions provider, partnering with globally recognized brands such as BPL Medical Technologies, Edan Instruments, SonoScape Medicals, and Prunus LCS. The company specializes in supplying medical modalities across various healthcare departments, ensuring high-quality service and reliable after-sales support. With strategic collaborations and expertise in meeting industry needs, NMGL delivers tailored solutions, application training, and comprehensive healthcare services. Headquartered in North Kaneshie, Accra, the company continues to expand its footprint in Ghana and beyond.

GREATER ACCRA REGIONAL HOSPITAL

The Greater Accra Regional Hospital's (GARH) core mandate is the delivery of curative, health promotion and preventive services in the region and sub region. Its services range in complexity from secondary to tertiary level care. The GARH also serves as a practical attachment site for numerous schools including the Accra College of Medicine. It is thus committed to creation of an enabling environment in which education and research in the health science and allied areas thrive. In the discharge of its mandate, the hospital aspires to meet the highest possible standards and levels of efficiency, effectiveness and quality in all its endeavors. It is also driven by excellence, continuous improvement and innovation. Its services are made available equitably on the basis of need. Finally, the hospital is fully accountable to patients and other stakeholders with respect to performance over the entire range of its mandate.

CASSONA GLOBAL IMAGING LTD

CASSONA GLOBAL IMAGING LTD. PROFILE: Cassona was founded in the United States in 2013, initially focusing on international import and export finance consultancy. Inspired by the COVID-19 pandemic and the tragic loss of our founder's mother due to a delayed cancer diagnosis, Mr and Mrs John Chigbu established Cassona Global Imaging to provide affordable and accessible healthcare solutions to the Sub-Saharan Africa region. Since 2022, Cassona has become a leading name in healthcare services, driven by our unwavering commitment to integrity, corporate responsibility, and the provision of efficient, affordable, and sustainable healthcare and diagnostic solutions across West Africa.

QUEST MEDICAL IMAGING

Quest Medical Imaging, established and incorporated on April 21, 2015, is a diagnostic imaging provider in Accra delivering high-quality radiology services to patients and healthcare professionals in Ghana and beyond. It operates state-of-the-art facilities offering ultrasound, MRI, CT scans, digital radiology and fluoroscopy, and 3D mammography, supported by robust image storage systems and skilled staff. The company's mission is to offer timely, efficient, appropriate, and cost-effective imaging services with a focus on respect, client satisfaction, safety, and ethical conduct. Quest has multiple branches including in Spintex and Afrikiko.

AUNTIE LINDA FOUNDATION

Auntie Linda Foundation is a Ghanaian nonprofit organisation dedicated to improving the lives of disadvantaged women, children, and vulnerable communities. Through health outreach, educational support, skills training, and empowerment programmes, the foundation addresses issues such as maternal and child health, poverty alleviation, and social inclusion. It partners with local stakeholders to deliver community health campaigns, mentorship, and resource-based interventions that enhance wellbeing and economic opportunity. Rooted in compassion and social responsibility, Auntie Linda Foundation aims to create lasting impact by fostering healthier, more resilient communities and supporting individuals to reach their full potential through care, education, and empowerment initiatives. (auntielindafoundation.org)

GRACE DIAGNOSTIC CENTRE

Grace Diagnostic Center is a leading medical diagnostic provider in Ghana dedicated to delivering accurate, reliable, and timely diagnostic services. With multiple branches across the country, the center offers advanced services including CT Scan, X-ray, Ultrasound, ECG, Echocardiography, and Laboratory services through strategic partnerships. Grace Diagnostic Center combines modern technology with experienced healthcare professionals to support clinicians in making precise medical decisions. The organization places strong emphasis on excellent customer experience, professionalism, and patient comfort, ensuring every client receives efficient and compassionate care. Through continuous investment in technology, staff training, and service excellence, Grace Diagnostic Center continues to strengthen healthcare delivery and diagnostic access across Ghana.

MDS LANCET LABORATORIES GHANA LTD

MDS-Lancet Laboratories Ghana Ltd. (“MDS-Lancet”) stands as the foremost private medical laboratory in Ghana. Accredited to the ISO 15189:2022 standard, the laboratory delivers world-class services encompassing a comprehensive portfolio of over 4,000 pathology testing options. These services range from routine screening to advanced specialized tests, catering to individuals, corporate entities, healthcare institutions, and medical research organizations. MDS-Lancet is committed to providing accurate, reliable, and reproducible results to support efficient patient management and medical research, ensuring a significant impact on the quality of care delivered in the region.

Underpinning its philosophy is the mission *“to provide Ghana and beyond with the best medical diagnostic solutions at world-class standards to improve the quality of life of communities.”* This mission has positioned MDS-Lancet as a cornerstone of healthcare advancement in the country.

DCL LABORATORY PRODUCTS LTD

DCL Laboratory Products Ghana is a leading partner and distributor of high-value medical and laboratory equipment serving hospitals, clinics, laboratories, and healthcare providers across Ghana and West Africa. Established to bring innovative diagnostic technologies to clinicians and researchers, the company supplies advanced laboratory instruments, consumables, and turnkey solutions, including equipment installation, training, maintenance, and after-sales support. With expertise in in-vitro diagnostics and strong global manufacturer partnerships, DCL enables healthcare facilities to deliver exceptional patient care through reliable technology. The company also supports technical training and customer service to ensure dependable, high-quality healthcare delivery.

TOBINCO PHARMACEUTICALS LIMITED

Tobinco Pharmaceuticals Limited (TPL) is a leading Ghanaian pharmaceutical marketing, distribution, and manufacturing company based in Accra. It focuses on supplying high-quality, affordable medicines across Ghana and the wider African market, including anti-malarials, antibiotics, analgesics, and over-the-counter products. The company sources and distributes a broad range of therapeutic pharmaceuticals while backwardly integrating into local production to expand its market reach. Guided by values of customer satisfaction, integrity, and innovation, Tobinco aims to be a market leader in healthcare products. Its vision includes broader African market penetration and superior service delivery in the pharmaceutical sector.

M&G PHARMACEUTICALS LIMITED

M & G Pharmaceuticals Limited, founded in 1989 with headquarters in Jamestown, Accra, is one of Ghana's leading pharmaceutical manufacturers. Operating in Kumasi and Tamale, it serves over 800 clients including government hospitals, clinics, pharmacies, and NGOs. The company produces 152 high-quality products—tablets, capsules, syrups, injectables under strict regulatory compliance and safety standards. Its brands, such as Zintab, Ezipen, and Polyfer, have won multiple national awards for quality and innovation. Focused on patient safety, community health initiatives, and sustainable development, M & G remains a trusted partner in Ghana's healthcare system, contributing to improved access to medicines and industrial growth.

JOY INDUSTRIES LIMITED

Joy Industries Limited is a Ghanaian manufacturer established in 2001 in Akwadum near Koforidua, Eastern Region. It produces quality herbal and alcoholic beverages, personal care products, and media services. Its flagship offerings include Joy Dadi Bitters and other herbal drinks, alongside soaps, ointments, and skincare items made from natural herbs with high therapeutic value. The company emphasizes strict quality control and safety in production to ensure efficacy. Joy also operates Joy Multimedia to deliver impactful content focusing on health and innovation. Its products are sold locally and internationally, earning multiple awards for quality and market presence.

TOP-UP PHARMACY LIMITED

Top-Up Pharmacy is a community-focused retail pharmacy in Ghana dedicated to providing high-quality, affordable medicines and health products to patients and customers. It offers prescription medications, over-the-counter drugs, vitamins, supplements, and wellness items, supported by knowledgeable pharmacists and staff committed to professional, personalized service. The pharmacy emphasizes patient education, medicine safety, and prompt dispensing to improve health outcomes. By combining trusted pharmaceutical care with friendly customer support, Top-Up Pharmacy aims to be a reliable destination for healthcare needs, ensuring accessibility, convenience, and quality for individuals, families, and healthcare providers across its service locations.

THE MALL PHARMACY

The Mall Pharmacy is a well-established retail pharmacy chain in Accra, Ghana, with multiple branches in major shopping centres like Accra Mall, A&C Mall, and Junction Mall. It offers a wide range of prescription and over-the-counter medications, health and wellness products, vitamins, supplements, and personal care items. Licensed pharmacists provide professional consultations, medication management advice, and customer support. The pharmacy emphasizes convenience, quality products, and customer-centric services, striving to be a trusted health and wellness partner for individuals, families, and the wider community in Greater Accra.

RIGHT DENTAL CARE

Right Dental Care in East Legon, Accra, is a modern dental clinic combining advanced technology with excellent patient service to improve oral health and smiles under hygienic international standards. The facility focuses on education, prevention, and personalized treatment planning so patients understand their diagnosis and options before care. Services include general and cosmetic dentistry, flexible payment packages, and a comfortable environment aimed at making dental visits pleasant rather than stressful. Led by qualified professionals, the clinic emphasizes patient comfort, clear communication, and quality outcomes, helping individuals maintain healthy teeth and confident smiles.

HEALTHNET AIRPORT MEDICAL CENTRE

HealthNet Medical Centre is a premier healthcare provider dedicated to providing high-quality, innovative, and evidence-based medical care. Operating two state-of-the-art facilities with 24-hour inpatient and outpatient services, we ensure accessible, reliable, and patient-focused healthcare delivery. Our multidisciplinary team offers comprehensive care across a broad range of specialties, including general practice, family medicine, surgery, pediatrics, cardiology, obstetrics and gynecology, dentistry, psychiatry, physiotherapy, and more.

Equipped with advanced diagnostic technology, laboratory, pharmacy, and radiology services, HealthNet ensures accurate and timely treatment. Guided by our core values of Dependability, Excellence, Evidence-Based Practice, Patient-Centeredness, and Professionalism, we prioritize high-quality, and value-driven healthcare to the community.

CONCEIVE WITH EDEN

Conceive with Eden is a fertility and reproductive health centre dedicated to supporting individuals and couples on their journey to parenthood. The clinic provides comprehensive care including fertility assessments, personalized treatment plans, ovulation tracking, natural and assisted conception support, and guidance on reproductive wellness. With a patient-centred approach, qualified specialists offer compassionate care, education, and emotional support throughout treatment. The centre emphasizes evidence-based methods, lifestyle optimisation, and individualized attention to improve success rates and overall reproductive health. Its mission is to make fertility care accessible, respectful, and empowering for all clients as they pursue conception and family building.

EDU HERBAL CLINIC

Edu Herbal Clinic is a Ghanaian herbal health centre known for treating chronic conditions and offering holistic natural remedies. Based in Mankessim with additional reach into Greater Accra, it provides outpatient services and herbal treatments for various ailments including stroke, sexually transmitted infections, fibroids, and general wellness support. The clinic's founder and CEO, Dr. Edu Mohammed, is a traditional herbal practitioner with decades of experience and has received recognition and awards for his contributions to herbal healthcare in Ghana. The center also markets herbal products like SM Bitters for general wellbeing, focusing on accessibility and traditional healing practices.

GLICO HEALTH INSURANCE LTD

GLICO Health Insurance Ltd is a leading private health insurance provider in Ghana, offering affordable, quality healthcare coverage for individuals, families, students, tourists, and corporate clients through a nationwide network of accredited hospitals, clinics, pharmacies, and diagnostic centres. It was the first Health Maintenance Organisation (HMO) established after Ghana's National Health Insurance Act (Act 650) and aims to make dependable healthcare accessible to all socio-economic groups. Plans include comprehensive outpatient and inpatient coverage, supplementary NHIS top-up options, and third-party administration services. The company also offers GLICO E-Health, enabling virtual consultations and mobile lab/pharmacy access.

EQUITY HEALTH INSURANCE LIMITED (EHI)

Equity Health Insurance (EHI) is a leading health insurance provider dedicated to delivering accessible, reliable, and client-centred healthcare solutions for individuals, families, and corporate organisations. With a growing network of 800+ accredited hospitals and healthcare providers, EHI ensures members have access to quality medical services across Ghana. The company continues to introduce innovative products such as Daakye Apomuden, Ayaresa Banbo Sika, and Micro Cover for SMEs, designed to meet the diverse healthcare needs of clients. Through efficient claims management, strong partnerships, and a commitment to service excellence, EHI plays an important role in strengthening healthcare financing and improving health outcomes.

GOLDEN TOUCH BEAUTY CENTER (GTBC)

Golden Touch Beauty Center (GTBC) is a beauty and wellness salon in Ghana offering professional aesthetic, skincare, and body-care services to enhance clients' appearance and confidence. The centre provides treatments such as facials, skin rejuvenation, body contouring, waxing, threading, and other beauty services in a relaxing, customer-focused environment. With experienced beauticians and personalized care, GTBC emphasizes quality results, hygiene, and client satisfaction. Beyond beauty treatments, the centre also offers advice on skin health and self-care routines. It aims to be a trusted destination for holistic beauty enhancement and wellbeing for individuals seeking reliable, stylish, and effective beauty services.

KOFIKROM PHARMACY LTD

Kofikrom Pharmacy Ltd is a Ghana-based pharmaceutical company providing high-quality healthcare solutions since 2015. They offer over 85 branded generics and 1000+ UK generics, with 1500+ distributors across Ghana's 16 regions. With branches in Accra (La and Sakumono), their vision is to lead in healthcare worldwide. Their mission is to promote good health through quality, affordable products and services, guided by values of leadership, excellence, collaboration, respect, integrity, and transparency.

MR. SAMUEL AMO TOBBIN

Mr. Samuel Amo Tobbin is the Executive Chairman of the Tobinco Group of Companies, a diversified Ghanaian conglomerate with strategic interests spanning pharmaceuticals, healthcare, education, finance, insurance, media, real estate, event management, international trade, philanthropy and faith-based infrastructure.

Mr. Tobbin is a seasoned entrepreneur and corporate leader with extensive experience in pharmaceutical distribution, manufacturing, and enterprise growth. From modest beginnings, he founded Tobinco Pharmaceuticals Limited and has grown it into one of Ghana's leading pharmaceutical companies, distinguished by its nationwide market reach and operational scale.

DR. ELTON FREDRICK AFARI

Dr Elton Fredrick Afari is a seasoned healthcare and insurance executive known for his integrity, discipline, and results-driven leadership. He is widely recognised for his straightforward approach, clarity in decision-making, and ability to work with speed while maintaining a strong focus on quality outcomes. Dr Afari is committed to excellence and holds himself and those he works with to high professional standards. His leadership style reflects fairness, accountability, and a deep sense of responsibility. Respected by colleagues and partners alike, he continues to contribute meaningfully to the advancement of healthcare leadership, organisational growth, and the development of sustainable solutions within the industry.

MR. VISHAL KAUL

Vishal Kaul is a visionary and results-oriented leader serving as the Chief Executive Officer of Nivaansh MediQas Ghana Ltd a trusted solution provider in Ghana's medical equipment industry. Under his leadership, the company has built a strong reputation for supplying high-quality medical equipment to leading healthcare institutions across Ghana. What sets Nivaansh's MediQas Ghana Ltd apart is its comprehensive approach offering free installation, free professional training, and robust service backup to ensure uninterrupted performance and reliability of all equipment. Vishal Kaul has been instrumental in introducing advanced healthcare solutions, including open system dialysis technologies, significantly enhancing patient care and operational efficiency. His commitment to after-sales support and timely maintenance services has strengthened client trust and long-term partnerships.

DR. KOFI ADDO-AGYEKUM

Dr. Kofi Addo-Agyekum is a renowned Ghanaian pharmacist, entrepreneur, and business leader. He completed his primary, secondary, and tertiary education in Ghana, earning a B.Pharm (Hons) degree from Kwame Nkrumah University of Science and Technology in 1994. After passing the Ghana Pharmacy Council Professional Qualifying Exams in 1995, he undertook a yearlong pharmaceutical internship across Europe. Returning to Ghana, he completed national service at the Pharmacy Board before joining Kama Health Services in 1996. Rising from pharmacist to Managing Director, he expanded the company nationally and helped it become a Ghana Club 100 company. In 2015, he founded Kofikrom Pharmacy Limited, now a leading Ghanaian-owned pharmaceutical firm with two major outlets in Accra, over 100 strategic distributors, 80 FDA-registered products, and a dedicated team of more than 50 staff. He earned an Executive MBA from GIMPA in 2008 and a Doctor of Pharmacy from the University of Ghana in 2024.

DR. IDDRISU WAYGMA MARCEL

Dr. Marcel is my name, the chief Executive officer at the Golden Touch beauty center born in the northern part of Ghana. I was motivated by my grandmother who used natural plant oil and ingredients for skincare products for us to have a beautiful skin growing up. Trained in MDANYA UNIVERSITY in Turkey certified by the American Board for innovative training and development leaders, recognized by UKaid/Technoserve program for Entrepreneurship and Development competition. I am also motivated to giving back to the community by donating to several charity works. The Golden touch beauty center has given a lot of training to women in the Northern region, where we also donated a lot of startups kits and training equipment (eg make up kits, hairdryer etc). The company currently has two (2) branches in Accra and one (1) branch in the Northern region currently serving over 10,000 clients in and out of the country.
